

Ideas for Inviting Friends On Facebook

If you use Facebook, please use it to get the event onto your friends', family, neighbors', and co-workers' radars!

How To Invite Friends to the Main Event on Facebook:

1. Go to: <https://www.facebook.com/events/494044106963944/> (make sure you're logged in to Facebook.)
2. On the event page, click the button on the right side that says "Going."
3. Click the "Invite" button to the right. This will give you a pop-up window with all your personal friends on Facebook.
4. Select the friends whom you wish to invite. It is probably best to keep it to Sonoma County or Bay Area locals, but you be the judge. Once you've selected them, click "Send Invites." (Your friends will receive a notification that you invited them to this event. They can choose to do the same: mark "Going" or "Interested" and invite their network).

How to Post About the Event on Facebook:

1. Go back to the Facebook Event:
<https://www.facebook.com/events/494044106963944/>
2. Click the share arrow to the right of "Invite", choose "Share to News Feed" and then write a little something like:

"Please join me at (Location) on December 5 for (breakfast/lunch/dinner)! (Location) will be donating (%) of their sales that day to Food For Thought and I will be volunteering there! Here is the event info. If you're super busy, I hope you'll at least consider getting some takeout!"

-OR- "Food For Thought is a local nonprofit that provides food + love to our neighbors in need. On Thursday, Dec. 5, I'd like to invite you to order some (breakfast/lunch/dinner) at (Location), as they will be donating (%) of their sales that day to Food For Thought and I will be volunteering there! Here is the event info. Hope to see you then!"
