

Script: Approaching tables (2 mins max)

***Approach tables after they have ordered, but before they get their food, if applicable.
Do not approach tables while they are eating.***

Hello there! I'm _____, a volunteer with Food For Thought.
Thank you for eating here today for Dining Out For Life.
Today, _____(your restaurant) is donating ____% of their sales to Food For Thought!

Are you familiar with Food For Thought?

(if yes, skip this paragraph)

(if no) We are a local nonprofit, serving thousands of people across the county who are living with serious medical conditions who are at risk for malnutrition or nutrition insecurity.

As a thank you for being here, you are invited to enter our raffle for free!
All the raffle items are listed here. It's fantastic! **(Place large postcard on table.)**

(Hold up an open envelope.) To enter the raffle, simply fill out your information or scan the QR code. If you wish, you may donate to Food For Thought as well.

We have some exciting bonuses for people who donate:

As part of celebrating Food For Thought's 35 years of service in Sonoma County, every \$35 donation receives an extra raffle entry!

We will also send everyone who donates \$35 or more a 20% Off Tuesdays card in the mail. This card allows you and your guests a discount of 20% every Tuesday throughout 2025 at participating locations.

Donate instantly using the QR code **(on envelope and postcard)**. Everyone who donates on-line is entered in a separate raffle to win a \$100 DoorDash card.

(Leave a postcard, a couple envelopes and a pens on the table, along with I DINED OUT stickers.)

Thank you for supporting Food For Thought by dining out today. You have earned these stickers to wear for the rest of the day! Please enjoy your meal and let me know if I can answer any questions.
